Call for Papers:
The Scientific Committee cordially invites you to submit scientific contributions, oral presentations and posters to the 3rd EuCheMS Chemistry Congress 2010. Please submit abstracts through our website at www.euchems-congress2010.org

Please indicate topic area, oral or poster preference and adhere to the guidelines and deadlines given. A sample abstract is available on this site. No revision or corrections will be made by the editorial team. The Scientific Committee reserves the right to accept or reject papers, and to assign them to oral presentations or posters. The Scientific Committee encourages young scientists to present their recent work at the 3rd EuCheMS Chemistry Congress 2010. It is planned that selected posters will be presented as oral contributions in a special session. A limited number of travel grants will be available for students with an accepted oral presentation or poster.

Key Dates
March 3, 2010 Abstract Deadline for Oral Presentations
March 5, 2010 Abstract Deadline for Poster Presentations
April 30, 2010 Deadline Early Registration
June 30, 2010 Abstract Deadline for Last-Minute-Posters
July 20, 2010 Deadline Registration, thereafter late fees
July 20, 2010 Deadline Last-Minute-Posters
Aug. 29 – Sept. 2, 2010 3rd EuCheMS Chemistry Congress

Please visit our website at www.euchems-congress2010.org for further information. Congress & Scientific Programme:

www.euchems-congress2010.org
Dear Colleague,

I am delighted to extend this letter to you, on behalf of the Gesellschaft Deutscher Chemiker, to formally invite you to attend the 3rd EuCheMS Chemistry Congress, to be held in Nürnberg, Germany, from August 29 to September 2, 2010.

The 3rd EuCheMS Chemistry Congress is the largest chemical science event in Europe, bringing together more than 150,000 individual chemists from 35 countries and representing some 50 chemical societies and professional organizations for chemistry which includes the Association for Chemical and Molecular Sciences by bringing together scientists from industry, academia and government institutions across Europe and around the world.

The Congress will present the latest research and important contributions that the chemical sciences are making to addressing these challenges. The congress is assistant in the core topic areas of chemistry, feature several symposia and will include plenary, keynote, invited lectures, oral communications and poster sessions. The scientific programme features seven main themes, each hosting three or four symposia, which are at the center of the congress; they include “innovative materials”, “resourcing and technologies, serving economic and part of one of the leading high-tech regions in Europe. The city, its medieval fair simply is a joy to visit. We are delighted to send a warm welcome to all of you and look forward to seeing you in Nürnberg in 2010.

The congress venue, Congress Center Nürnberg, is only a few minutes by underground from the city center and the international airport and offers state-of-the-art facilities for speakers, poster presenters, and attendees alike.

Innovative Materials (Plenary Speaker: E. W. “Bert” Meijer, NL)

Catalysis

a) Metal Catalysis (Helena Grennberg, SE)

(Plenary Speaker: Hans-Joachim Freund, DE)

b) Catalysis in Organic Transformations (Karl-Anker Jørgensen, DK)

a) Molecular Recognition in Chemical and Biological Systems (Christopher Hunter, UK)

(Plenary Speaker: Lechoslaw Latos-Grazynski, PL)

b) Self Assembly (Maurizio Prato, IT)

a) Supramolecular Systems (Plenary Speaker: I. D. Mogul, MD)

b) Advances in Inorganic Synthesis (Hansjörg Grützmacher, CH)

c) Heterogeneous Catalysis (Günther Rupprechter, AT)

b) Analytical Methods in Medicinal Chemistry (Jeremy Nicholson, UK)

a) Chemical Biology (Herbert Waldmann, DE)

b) Medicinal Chemistry (Roberto Pellicciari, IT)

c) Biocatalysis and Biomaterials (Manfred Reetz, DE)

a) Analytical Science (Plenary Speaker: J. W. Pust, HR)

a) Analytical Science (Plenary Speaker: J. W. Pust, HR)

b) Biomedical Analysis (Plenary Speaker: J. W. Pust, HR)

a) Analytical Science (Plenary Speaker: J. W. Pust, HR)

b) Biomedical Analysis (Plenary Speaker: J. W. Pust, HR)

c) Supramolecular Systems (Plenary Speaker: I. D. Mogul, MD)

b) Analytical Methods in Medicinal Chemistry (Jeremy Nicholson, UK)

a) Chemical Biology (Herbert Waldmann, DE)

b) Medicinal Chemistry (Roberto Pellicciari, IT)

c) Biocatalysis and Biomaterials (Manfred Reetz, DE)

a) Analytical Science (Plenary Speaker: J. W. Pust, HR)

b) Biomedical Analysis (Plenary Speaker: J. W. Pust, HR)

a) Analytical Science (Plenary Speaker: J. W. Pust, HR)

b) Biomedical Analysis (Plenary Speaker: J. W. Pust, HR)

c) Supramolecular Systems (Plenary Speaker: I. D. Mogul, MD)

b) Analytical Methods in Medicinal Chemistry (Jeremy Nicholson, UK)

a) Chemical Biology (Herbert Waldmann, DE)

b) Medicinal Chemistry (Roberto Pellicciari, IT)

c) Biocatalysis and Biomaterials (Manfred Reetz, DE)

a) Analytical Science (Plenary Speaker: J. W. Pust, HR)

b) Biomedical Analysis (Plenary Speaker: J. W. Pust, HR)

a) Analytical Science (Plenary Speaker: J. W. Pust, HR)

b) Biomedical Analysis (Plenary Speaker: J. W. Pust, HR)

c) Supramolecular Systems (Plenary Speaker: I. D. Mogul, MD)

b) Analytical Methods in Medicinal Chemistry (Jeremy Nicholson, UK)

a) Chemical Biology (Herbert Waldmann, DE)

b) Medicinal Chemistry (Roberto Pellicciari, IT)

c) Biocatalysis and Biomaterials (Manfred Reetz, DE)

a) Analytical Science (Plenary Speaker: J. W. Pust, HR)

b) Biomedical Analysis (Plenary Speaker: J. W. Pust, HR)

a) Analytical Science (Plenary Speaker: J. W. Pust, HR)

b) Biomedical Analysis (Plenary Speaker: J. W. Pust, HR)

c) Supramolecular Systems (Plenary Speaker: I. D. Mogul, MD)

b) Analytical Methods in Medicinal Chemistry (Jeremy Nicholson, UK)

a) Chemical Biology (Herbert Waldmann, DE)

b) Medicinal Chemistry (Roberto Pellicciari, IT)

c) Biocatalysis and Biomaterials (Manfred Reetz, DE)

a) Analytical Science (Plenary Speaker: J. W. Pust, HR)

b) Biomedical Analysis (Plenary Speaker: J. W. Pust, HR)

a) Analytical Science (Plenary Speaker: J. W. Pust, HR)

b) Biomedical Analysis (Plenary Speaker: J. W. Pust, HR)

c) Supramolecular Systems (Plenary Speaker: I. D. Mogul, MD)

b) Analytical Methods in Medicinal Chemistry (Jeremy Nicholson, UK)

a) Chemical Biology (Herbert Waldmann, DE)

b) Medicinal Chemistry (Roberto Pellicciari, IT)

c) Biocatalysis and Biomaterials (Manfred Reetz, DE)

a) Analytical Science (Plenary Speaker: J. W. Pust, HR)

b) Biomedical Analysis (Plenary Speaker: J. W. Pust, HR)

a) Analytical Science (Plenary Speaker: J. W. Pust, HR)

b) Biomedical Analysis (Plenary Speaker: J. W. Pust, HR)

c) Supramolecular Systems (Plenary Speaker: I. D. Mogul, MD)

b) Analytical Methods in Medicinal Chemistry (Jeremy Nicholson, UK)

a) Chemical Biology (Herbert Waldmann, DE)

b) Medicinal Chemistry (Roberto Pellicciari, IT)

c) Biocatalysis and Biomaterials (Manfred Reetz, DE)

a) Analytical Science (Plenary Speaker: J. W. Pust, HR)

b) Biomedical Analysis (Plenary Speaker: J. W. Pust, HR)

a) Analytical Science (Plenary Speaker: J. W. Pust, HR)

b) Biomedical Analysis (Plenary Speaker: J. W. Pust, HR)

c) Supramolecular Systems (Plenary Speaker: I. D. Mogul, MD)

b) Analytical Methods in Medicinal Chemistry (Jeremy Nicholson, UK)

c) Supramolecular Systems (Plenary Speaker: I. D. Mogul, MD)
Dear Colleagues,

I am excited to invite you to the 3rd EuCheMS Chemistry Congress which will be held in Nürnberg, Germany, from August 29 to September 2, 2010. Organized by the Gesellschaft Deutscher Chemiker (GDCh) on behalf of the European Association for Chemical and Molecular Sciences (EuCheMS), the congress will be THE European showcase for chemistry. The European Association for Chemical and Molecular Sciences by bringing together scientists from industry, academia and governmental institutions across Europe and around the world.

The 3rd EuCheMS Chemistry Congress is the chemistry highlight in Europe in 2010 and I encourage you all to be part of this unique event! I look forward to welcoming you in Nürnberg for this exciting Congress.

See you in Nürnberg!

Luis Oro
Chairman of the Congress

---

Dear colleagues,

I wish to extend my personal and professional invitation to attend the 3rd EuCheMS Chemistry Congress, which will be held in Nürnberg, Germany, from August 29 to September 2, 2010. Organized by the Gesellschaft Deutscher Chemiker (GDCh), Swiss Federal Institute of Technology, Zurich, and co-chaired by Andreas Hirsch, University Erlangen-Nürnberg.

The 3rd EuCheMS Chemistry Congress is the chemistry highlight in Europe in 2010 and I encourage you all to be part of this unique event! I look forward to welcoming you in Nürnberg for this exciting Congress.

See you in Nürnberg!

Luis Oro
Chairman of the Congress

---

The 3rd EuCheMS Chemistry Congress will present the latest research around the world. The congress will be the largest and most outstanding showcase for chemistry. The motto “Chemistry – the Creative Force” will emphasize the central role of basic and applied chemical research in driving scientific and economic growth in a healthy global society.

Seven main themes, each hosting five or four symposia, will be the core of the congress: they include “innovative materials”, “resources and environment” (including “innovative materials” and “analytical chemistry, manipulation and simulation”), “catalysis”, “metallic life sciences”, “analytical chemistry, manipulation and simulation”, and “advances in organic and inorganic chemistry”.

The administrative, scientific and public relations organizations present their activities – simply is a joy to visit.

The Congress will present the latest research in the core topics of chemistry, feature multidisciplinary programming, and highlight chemistry’s impact on society. The focus will be on the big global challenges and the importance of interdisciplinary collaboration between the chemical sciences and others. The scientific programme features seven main congress topics, each hosting several symposia and will include plenary, keynote, and invited lectures as well as contributed oral communications and poster sessions.

The Congress is organized by the Gesellschaft Deutscher Chemiker (GDCh), German Chemical Society, which also provides the local support. The Scientific Committee is headed by the eminent scientist François Diederich, Swiss Federal Institute of Technology, Zurich, and co-chaired by Andreas Hirsch, University Erlangen-Nürnberg.

Young scientists, in particular graduate students and post-doctoral fellows, are very much encouraged to participate and to use this unique possibility for networking and creating new contacts and cooperations.

The 3rd EuCheMS Chemistry Congress is the chemistry highlight in Europe in 2010 and I encourage you all to be part of this unique event! I look forward to welcoming you in Nürnberg for this exciting Congress.

See you in Nürnberg!

Luis Oro
Chairman of the Congress

---

The congress venue, Congress Center Nürnberg, is only a few minutes by underground from the city center and the international airport and offers state-of-the-art facilities for speakers, poster presenters, and attendees alike.

Nürnberg lies at the heart of Europe and, with its ISO 9002 equivalence, is the economic and cultural center of Northern Bavaria, one of Europe’s fastest growing trade fair locations and part of one of the leading high-tech regions in Europe. The city’s medieval fair simply is a joy to visit.

We are delighted to send a warm welcome to all of you and look forward to seeing you in Nürnberg 2010.

Franziska Diederich
Chairman of the Scientific Committee

Andreas Hirsch
Co-chairman of the Scientific Committee

---

The conveners of the respective symposiums are given in brackets.

Call for Papers:
The Scientific Committee cordially invites you to submit scientific contributions, oral presentations and posters to the 3rd EuCheMS Chemistry Congress 2010. Please submit abstracts through our website at www.euchems-congress2010.org

Please indicate topic areas, oral or poster preference and adhere to the guidelines and deadlines given. A sample abstract is available on this site. No revision or corrections will be made by the editorial team. The Scientific Committee reserves the right to accept or reject papers, and to assign them to oral presentations or posters. The Scientific Committee encourages young scientists to present their recent work at the 3rd EuCheMS Chemistry Congress 2010. It is planned that selected posters will be presented as oral contributions in a special session. A limited number of travel grants will be available for students with an accepted oral presentation or poster.

Key Dates
March 3, 2010    Abstract Deadline for Poster Presentations
March 3, 2010    Abstract Deadline for Oral Presentations
March 20, 2010    Deadline Registration, thereafter registration fees are due
June 30, 2010    Abstract Deadline for Last-Minute-Posters
July 20, 2010    Deadline Early Registration
July 20, 2010    Deadline Accommodation
Aug. 29 – Sept. 2, 2010  3rd EuCheMS Chemistry Congress

Take the chance and become a sponsor of the 3rd EuCheMS Chemistry Congress.
